

NOW OPEN IN THE UK

READY TO SUPPORT YOUR SUCCESS
ACROSS THE UK & EUROPE

 Wakefield, West Yorkshire, UK

YOUR SOURCE FOR AEROSPACE EXCELLENCE AND INNOVATION

WG Henschen, an Abound Aerospace Company, has expanded into the United Kingdom with the opening of our new industry-leading 14,000 square foot distribution facility in Wakefield, West Yorkshire.

Our new location includes Sales, Customer Support, Quality, and Warehouse Operations, allowing us to better support our customers and vendors across the UK and Europe.

The facility is equipped to service ad-hoc requirements, Long Term Agreements (LTA), and Direct Line Feed (DLF) programs. In addition, we are able to provide kitting services and a wide range of supply chain solutions to help meet our customers' evolving operational needs. We are also proud to share that the facility is AS9120 and AS9100 approved, reinforcing our commitment to quality and service excellence.
